Equipment Requirements

Your Computer must have an Ethernet port and current operating system (minimum Windows 2000 or Apple equivalent) to connect to the ADSL service. Ant provides "best effort" support on products not sold by us.

Plans

Option of Casual contract has a minimum term of 1 month, or 6 months if paying six months in advance or, 24 month contract.

Plans are shaped, so there are no surprise charges. "Shaped" means that speeds will be reduced to 256/256kbps when your data allowance in any month has been reached.

Data Allowance

Any Time Plans data may be used at anytime of the Day

Connection Speeds

Plans are based on the ADSL peak speed of your chosen plan. However speed for customers will be dependent on location, signal strength, volume of traffic through ADSL network, your equipment, software and download source

ADSL Plans, Terms and Conditions

For the duration of the Term, the Applicant shall pay to the Service Provider the Service Fee monthly in advance. Payments are due on your designated billing date. Payments must be by Direct Debit from the Applicants nominated bank account or credit / debit card. Your first months payment

may include a pro rata payment to align with your designated billing date. Alternatively you may pay six months in advance as nominated on your Application by cheque, money order or EFT.
If you fail to make your payment by the due date or your financial institution fails to honour your payment, you must pay the amount owing directly to ANT. A late fee of \$15.00 will apply immediately. Should further failure to honour your payment occur then an additional Dishonour fee of \$25.00 fee will be applied. Your financial institution may also charge you an additional dishonor fee.
