<p>Equipment Requirements Customer must have operational Laptop with tested working WiFi (not Next G/3G adaptors) this can be tested at most McDonalds restaurant or anywhere where there is a wireless hotspot. Our system currently supports Operating systems of Windows XP, VISTA, Windows 7. Tested Web Browser are Internet Explorer 7, Opera and Camino for AppleMac. As we are continually testing new software this may change over time. You must provide a suitable power supply (240 volt), a modified sine wave inverter is acceptable, and must be connected through a surge protector.</p> <p>Plans Most plans are shaped, so there are no surprise charges. "Shaped" means that speeds will be reduced to 64/64 when your data allowance in any 28 days has been reached. If you do not select a shaped plan and you exceed your data allowance for any given month, you will be charged a rate of 5 cents per MB over and above your monthly data allowance All speeds rated at average performance of 60% maximum rate for 75% of coverage period</p>	<p>Data Allowance data may be used at anytime of the Day</p> <p>Connection Speeds Download/Upload speeds as quoted in plan schedule are peak speeds strength, volume of traffic, your equipment, software and download source.</p> <p>Satellite Plans, Terms and Conditions 50% Deposit is required at time of order and remainder to be paid prior to dispatch. Delivery is 21 business days from ordering to dispatch of goods. Accounts require a valid direct bank debit or credit card authority. Subscriptions are payable 1 month in advance via valid direct Bank Debit or Credit Card, or Subscription fees can be paid 12 months in advance via , Electronic Funds Transfer, direct Bank Debit or Credit Card . Subscription fees are deducted on the first of each month. The first and last months are billed on a pro rata basis.
