Information About the Service

ADSL is an internet service using broadband technology on a standard copper telephone line to deliver internet connection to your premises.

Mandatory Requirements and Availability

This service is dependent on having an active telephone line, and is not available to all areas. Please contact us 1300 286 266 to check if it is available to your premises and what speed is available.

To use your ADSL service you must have an active telephone line and an ADSL modem. If you don’t already have a compatible ADSL Modem/router ANT can supply one to you for a charge of $129.00 for a 4 port modem/router with VoIP capability.

Minimum Term

Our casual connection takes the hassle out of switching to the NBN once it reaches your area. As an NBN approved provider we can ensure you have a seamless transition from ADSL to NBN.

Casual Connection - One month
Payment In Advance - 6 months
24 months – 24 months

Inclusion, exclusions and important conditions, limitations, restrictions or qualifications.

Plans are based on the ADSL peak speed available in your area. Speed for customers will be dependent on location, signal strength, volume of traffic through the network, your equipment, software and download source.

ANT Anytime Plan data may be used at any time of the day you wish. At ANT there is none of the data restrictive “peak” or “off-peak” or “bonus data” time restrictions.

Data usage is counted in both directions so if you download 10GB of data and upload 10GB of data that is counted as 20GB.

You can change your ADSL plan up or down at any time. Plan Changes will be implemented at your next anniversary date. Your data is reset on the anniversary date. Any unused data allowance expires at anniversary reset date.
